

EXPERT WEBSITE ANALYSIS

Feedback to help you improve your website

Bronze report £99

We will review your website for about one hour and email you a 750 word report. This is more detailed version of a website competition judging appraisal. This won't include search engine optimisation analysis.

Silver report £275

A 2000 word appraisal based on a three hour detailed analysis of your website. It considers all aspects of the website including search engine keyword analysis.

Gold report

This is a lengthier audit of your web material. We will give you a quote after your brief us on what you want included. Prices are typically around £500 - 1000.

Prices plus VAT. Turnaround takes about three days.
